

COMPETITION RULES

- To receive credit you must have 2 witnesses or Judge (that saw you climb the problem) sign off on the sheet in the appropriate box.
- You must have a problem number and score for the problem written in the appropriate boxes.
- All problems are marked on the rock with a label that includes the Map Number, Name, Description, and Point Value.
- All problems top out unless otherwise noted.
- Some problems have boundaries. Please be aware and do not cross.
- Be aware of specific instructions for starting a problem (listed on label).
- If there is any doubt that a problem has been completed, you will do the problem again at the end of the competition in front of everyone.

LOOKING AROUND THE BOAT ROCK AREA TODAY

It is quite clear that there would be no bouldering here at all, were it not for the foresight of the Southeastern Climbers Coalition (SCC) and the many generous donations received from climbers like you. If you are not a member of the SCC, you should be. While you're at it, join the Access Fund too. The Access Fund is a major supporter of the SCC, and they work hard to keep many excellent climbing destinations open nationwide. And, of course, it wouldn't be possible without the help of our sponsors...

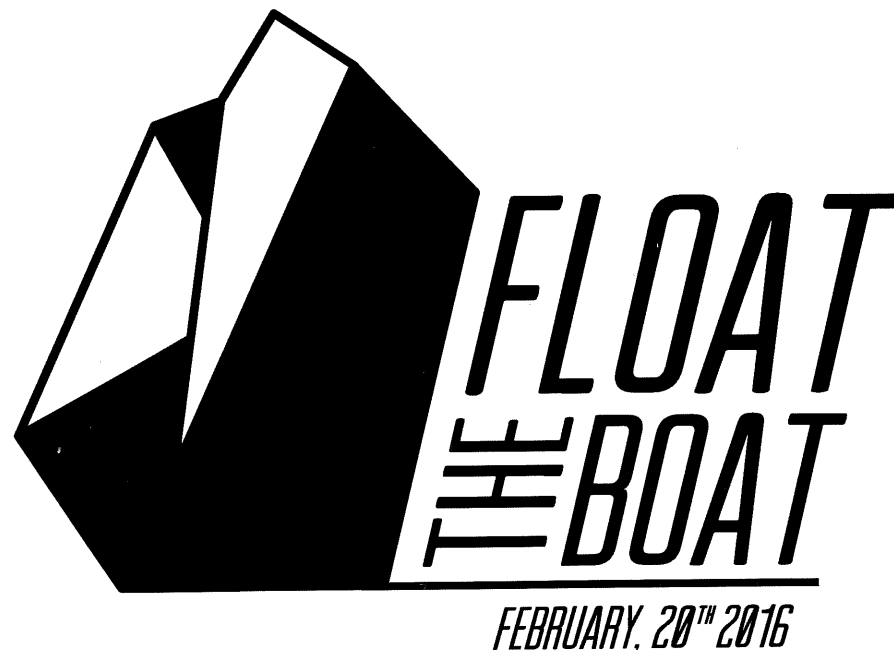

Many, Many **THANK YOU's** to our Sponsors:

THE SCC'S OFFICIAL BOATROCK BETA MANIFESTO
REVISED FEBRUARY 2016

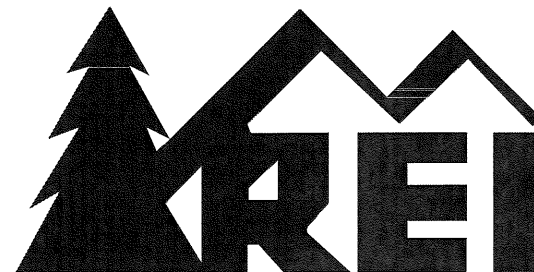

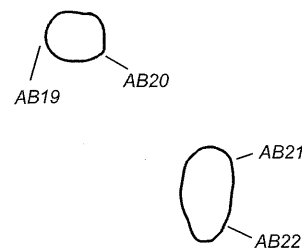

WOODS' HILL AREA

Main Map on pp. 11-12

PLEASE NOTE:

The Woods' Hill Area is PRIVATE PROPERTY. As of 2007, the SCC has leased this property. PLEASE BE RESPECTFUL! Because climbing is brand new to this area, any and all rock features should be considered of suspect quality. If you complete a problem that you believe to be a first ascent, and would like to put it on the map, or for any and all comp guide comments, corrections, suggestions, etc., please send an email to info@seclimbers.org. Much thanks to Anne McLaughlin for her invaluable help assembling this guide.

Special thanks to Joe Woods for the use of his property!
